DRM Workshop Invitation

7th March 2017 4.15 - 5.30 p.m.

Taming Sari 3, The Royale Chulan Hotel

“Digital Radio Mondiale - Practical Implementation for Success”

Concise and practical ways of understanding what DRM digital radio is and how to roll it out successfully, on budget, with significant energy savings and on time as a well-coordinated national effort

Speakers:

- Ruxandra Obreja - DRM Consortium
- Lindsay Cornell - BBC
- Alexander Zink - Fraunhofer IIS
- Alex Ng - GatesAir
- Mr Freddie Ndolu and Mr Rahadian Gingging - Radio Republik Indonesia

Live DRM Transmission by Babcock International

7th March 5.00 - 6.00 p.m. local time - 7410 kHz

Android tablet computer with wideband digital RF receiver

To register for the workshop please contact projectoffice@drm.org

DRM Experts will be available to answer your digital radio questions throughout the conference at **Booth 33**
