

DRM Monitoring Site

DRM Content Monitoring Service

Please select a DRM ContentServer/transmitter site from the top of the page.
Sites with active DRM remote content monitoring are listed first.

Click on 'map' to toggle between the DRM content (if available) and a map view of the site location.
Click on '+' to open another site for side-by-side monitoring, or '-' to remove the respective site.

DRM Monitoring Site

DRM Monitoring Site

A screenshot of a web browser displaying the DRM Monitoring Site. The browser window title is 'Digital Radio Mondiale Monitor'. The address bar shows the URL 'https://monitor.drm.radio/#'. The page content includes a header with the 'RFmondial' logo and 'AIR FM Rainbow' text. Below the header is a section titled 'AIR Journaline Service' with a list of links: 'AIR Top News', 'AIR International News', 'AIR National News', 'AIR State News', 'AIR Sports News', 'AIR Business News', 'AIR overview', and 'AIR Programmes - Info & Schedule'. At the bottom of the page, there is a small copyright notice: 'RFmondial MultimediaPlayer Server Edition - rc15 © Fraunhofer IIS, Erlangen, Germany'. The browser interface includes standard navigation buttons (back, forward, refresh, home) and a search bar.

DRM Monitoring Site

The screenshot shows a web browser window with the URL <https://monitor.drm.radio/#>. The page title is "AIR - All India Radio: Delhi Nangli". The main content area features the "RFmondial" logo and "AIR FM Rainbow" branding. Below the branding, there are navigation controls: "previous", "up", and "next". The main text of the article reads:

@narendramodi Prime Minister Narendra Modi has called on G-20 leaders to help usher in a new globalization for the collective well-being of humankind and have multilateral fora focus on promoting shared interests of humanity. In his address at Virtual G-20 Leaders' Summit last night, Mr Modi underscored the need to put human beings at the centre of vision of global prosperity and cooperation. He also stressed the importance of freely and openly sharing the benefits of medical research and development, developing adaptive, responsive and humane health care systems, and promoting new crisis management protocols.

The Summit was convened to discuss the challenges posed by the outbreak of the COVID-19 pandemic and to forge a global coordinated response. Mr Modi called on the G20 to come out with a concrete action plan to fight the global pandemic. Prime Minister said that 90 percent of the COVID-19 cases and 88 percent of deaths were in G20 countries.

DRM Monitoring Site

The screenshot shows a web browser window titled "Digital Radio Mondiale Monitor" with the URL <https://monitor.drm.radio/?fullmap#>. The interface features a map of India with numerous blue and green location pins representing radio stations. A pop-up window for a selected station displays the following information:

- Delhi Mall Road, 1368 kHz @ 20 kW
- Listen live!
- Nearby stations:
- AIR - All India Radio
- Delhi Nangli, 828 kHz @ 200 kW
- Listen live!

On the right side, the "RFmondial" player interface is visible, showing a list of stations:

- AIR Journaline** (India) - NewsService Journaline
- AIR FM Rainbow** (Easy Listening Music, Delhi) - NewsService Journaline
- AIR News 24x7** (News, Delhi/Nangli, India (DRM-AM)) - NewsService Journaline

An "Audio Configuration" window is open over the AIR FM Rainbow station, displaying the following settings:

- Codec: xHE-AAC (DRM-AM)
- Audio Bitrate: 8.1 kBit/s
- Audio Mode: Mono
- Streaming as: AAC

At the bottom of the browser window, the footer text reads: "RFmondial MultimediaPlayer Server Edition - rc15 © Fraunhofer IIS, Erlangen, Germany".
